

after her father witnessed the brutal lynching of two young black boys. Annie recalls her father telling her and her siblings of his expectation that they strive to make the world a better place, a lesson that has remained with her throughout her lifetime. It was this desire to make a positive change in her community that likely led to her graduation from Ball State Teachers College in hopes of returning to teach in Hammond.

Unfortunately, Annie's desire to improve her community by educating the city's children would not come without opposition. Despite being five years after the landmark *Brown v. Board of Education of Topeka* ruling of the Supreme Court to end segregation in schools, Ms. Burns-Hicks's application for a teaching position was rejected without consideration, as she was told the city was "not ready for a colored teacher." Undeterred, and remembering her father's inspirational words encouraging her to be a force of change, Annie pressed on through the courts and won, thus allowing her to become the first African American teacher in the city of Hammond in 1960 and paving the way for the many future teachers who would follow in her footsteps. During her tenure, Ms. Burns-Hicks co-authored the first full-day kindergarten program in the city, a contribution that truly enhanced the educational opportunities for the community's young children.

Madam Speaker, at this time, I ask that you and my other distinguished colleagues join me in honoring Annie Burns-Hicks. Ms. Burns-Hicks broke barriers as Hammond's first African American teacher, and in doing so, has been a true inspiration and a source of tremendous pride to her community. Throughout her more than forty years of teaching, she touched countless lives. It is fitting that the school now bears her name for the generations to come.

VIRGINIA THEATRE, CHAMPAIGN, IL 100 YEAR ANNIVERSARY

HON. RODNEY DAVIS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. RODNEY DAVIS of Illinois. Madam Speaker, I rise today to recognize the Virginia Theatre in Champaign, Illinois, which celebrated 100 years of business on December 28, 2021.

In 1921, Charles "C.C." Pyle made the decision to build a major entertainment venue in downtown Champaign, an area that had been known as a cultural hotspot. He initially had a vision of a 12-story hotel with a large theatre space, but that quickly changed. The final building resulted in a stand-alone, multipurpose performing arts center.

In January of 2000, the Champaign Park District made countless efforts to prevent this landmark from demolition. Once they assumed control of the theatre, it went on to grow into a \$10 million restoration project to bring the theatre back to life.

Through the years, the Virginia Theatre has been the "place to be" for friends, families, and colleagues in the community. The Theatre hosts local productions, concerts, movies, live theatrical plays, stand-up comedy events, and many more.

Congratulations to the Virginia Theatre on their 100th anniversary, and I wish them all the best in the years to come.

HONORING THE LIFE AND LEGACY OF PRIVATE OLIVER CROMWELL

HON. ANDY KIM

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. KIM of New Jersey. Madam Speaker, I rise today to honor the life and legacy of Private Oliver Cromwell, one of the most decorated Black soldiers who served in the American Revolutionary War.

Private Cromwell was born in 1753 in Mansfield Township, New Jersey, and in 1776 he enlisted in the 2nd New Jersey Regiment. He crossed the Delaware River with General George Washington and went on to fight for American independence in the battles of Trenton, Princeton, Brandywine, Monmouth, Short Hills, and Yorktown. At the conclusion of the war, Cromwell received the Badge of Merit for six years of faithful service to the Army and was honorably discharged by General Washington in 1783.

Following his service, Cromwell fathered 15 children in Burlington Country and loved to share stories of his time as a "Drummer in the Revolution" with his family and the community. Cromwell passed away at 101 years old in 1853, and he is buried in Burlington at the Broad Street Methodist Church cemetery. Oliver Cromwell risked everything fighting for freedom in a country that did not recognize his own right to freedom. For these sacrifices, Oliver Cromwell should be eternally remembered for his contributions toward America's independence. Burlington County is grateful for Private Cromwell's dedication, sacrifice, patriotism, and honorable personal conduct.

Nine generations of his descendants have resided in Burlington County, some of whom still reside in the 3rd District today and continue to honor their familial legacy through community engagement, service, and historic preservation. I am grateful for Private Cromwell's descendants' continued contributions to our community and am proud to be honoring the life and legacy of their ancestor on this day.

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. O'HALLERAN. Madam Speaker, I rise today to honor the life and legacy of Marvin Yellowhair, a beloved Navajo community leader who passed away in March.

Throughout Marvin's life, he made immense contributions to numerous fields, and is remembered as a devoted son, brother, father, husband, uncle, nephew, grandfather, coach, author, musician, actor, storyteller, runner, carpenter, politician, Council Delegate, and School Board Member.

After graduating from Rough Rock High School and attending Mesa Community College, Dine College, Northern Arizona University, and the University of New Mexico, he dedicated his life to the advancement of Navajo language, culture, and history developing bilingual and bicultural curriculum materials and publishing several books of his own.

Throughout 30 years at Rough Rock Community School, as both a teacher of Navajo language, and a beloved basketball, football, and baseball coach, Marvin was well-known by colleagues and students for his passion for Navajo culture and history, and his gift for storytelling and leadership.

A devoted advocate for Navajo self-determination in education and strong supporter of Navajo Nation veterans, his legacy in the Rough Rock and Black Mesa communities will live on for generations to come.

WHAT CAN JWB DO FOR CD 13?

HON. CHARLIE CRIST

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. CRIST. Madam Speaker, I rise today to recognize the tremendous accomplishments of the Juvenile Welfare Board of Pinellas County.

For 75 years, this organization has dedicated itself to the betterment of Pinellas County's future, which lies in the hands of our community's children.

The Juvenile Welfare Board works with our county's children from an early age to ensure that both they, and their parents, caregivers, and family members receive a solid foundation on which to build their education. The Board's School Readiness program prepares children for their critical kindergarten education, which is crucial for their future success in the classroom. The JWB supports our county's youth throughout their education, with the programs they fund driving them to meet not only important developmental milestones but promoting behaviors and attitudes necessary for learning and engagement.

Beyond the classroom, the JWB works tirelessly to strengthen the communities from which our future leaders grow. Focusing on the mental health of our children is one of the Board's primary goals, making sure any type of mental illness is diagnosed and treated before it becomes an impediment for their future success. They also work to stop preventable deaths within the county, combating unsafe sleep practices for infants, child drowning, and head trauma, so that no family must deal with the tremendous loss of a child.

The JWB's mission also includes providing relief for the families of Pinellas County when they need it. From rental and food assistance, eviction prevention services, and helping with affordable childcare, the JWB ensures that any family that needs a helping hand is given one.

The Juvenile Welfare Board of Pinellas County is a powerful example of the power we can have on our communities if we simply dare to try. Their efforts deserve veneration in this Congress, not only in appreciation of their efforts, but as an example of the power of community.

IN RECOGNITION OF ALS RESEARCH AT THE DEPARTMENT OF VETERANS AFFAIRS

HON. NEAL P. DUNN

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. DUNN. Madam Speaker, as the son of a veteran, father of a veteran, and a veteran myself, I rise in support of important work being done at the Department of Veterans Affairs (VA) regarding research and development of treatments for amyotrophic lateral sclerosis (ALS) and other neurodegenerative diseases.

This work is combining the capabilities of National Polytrauma Centers, like the James A. Haley Veterans' Hospital in Tampa, Florida, with the expertise of the private sector to give hope to veterans who are battling these illnesses, everywhere.

Veterans are 60 percent more likely to be diagnosed with ALS compared to the general population.

More research needs to be done to understand the connection, which goes back at least 100 years, between military service and ALS, as well as to ensure we are able to achieve the best possible outcomes for our veterans.

I applaud the VA for continuing to make this a priority and look forward to seeing the potential of these partnerships.

HON. MICHAEL C. BURGESS

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Tuesday, April 26, 2022

Mr. BURGESS. Madam Speaker, I rise today to recognize the distinguished career of Charlotte Wilcox, the Mayor of the City of Highland Village, Texas. Mayor Wilcox is retiring following her seven-year long tenure in mayoral office, and almost two decades of

public service in Highland Village city government.

Mayor Wilcox and her family moved to Highland Village in 1995. In 2006, she was appointed to the city's Zoning and Development Commission, before being elected to Place 3 of the Highland Village City Council three years later. She served in this position until her fellow councilmembers appointed her to mayoral office in 2015 following the retirement of her predecessor. In May 2015, she was elected as Mayor, and due to term limitations, will conclude her service on the Highland Village City Council in May 2022.

Throughout her service in her public office, Mayor Wilcox has worked tirelessly for the economic and physical well-being of her constituency. She has been instrumental in ensuring funding for vital improvements to Highland Village's highway infrastructure, as well as the establishment of half a dozen parks and recreational facilities throughout the city. Thanks to Mayor Wilcox's efforts, many trails, parks, roads, and walkways have been constructed and expanded to maximize her city's quality of life.

Furthermore, Mayor Wilcox oversaw the opening of many new businesses and the remodeling of many older ones to strengthen and expand the City's tax base. Under her fiscal leadership, the city achieved a AAA Bond Rating.
